COMET LIFE - STUDENT ORGANIZATION AT UT DALLAS

May 31, 2020

Comets & Community,

We are hurt and we are heartbroken about the news of George Floyd's tragic death at the hands of an officer from the Minneapolis Police Department. As a student community, we stand in solidarity with our nation in mourning the numbers of innocent lives lost to police brutality.

As a student organization at The University of Texas at Dallas, we focus our efforts on helping make students feel welcomed as an active part of the student body here on campus. As we witness these actions, we grieve with our fellow Comets, our fellow citizens, and the rest of the world; Comet Life wants to start by spreading awareness, educating our community, and sharing resources on how everyone can help.

- **Educate** yourselves on what is going on in the world right now; look into helpful resources on how you can help contribute. Several are included in this [document here](#).
- **Donate** towards organizations and funds such as the [Official George Floyd Memorial Fund](#), [Minnesota Freedom Fund](#), [Black Lives Matter](#), and more listed [here](#).
- **Sign petitions** such as the one linked to demand justice for George Floyd (or text "FLOYD" to 55156).
- **Check-in** on your friends and local communities. Many are hurting, and in times like this, it is more important than ever to come together and have each others' backs.

In addition to this, Comet Life will be focusing our social media channels to help spread awareness about this movement and will be continuously providing resources for our community. Should you feel the need to reach out to Comet Life, please email us at cometlife@lists.utdallas.edu.

Sincerely,

Eric Aaberg
